

Bringing Civility To Your Workspace

Civility Management Solutions (CivilityMS) transforms government and commercial clients' operations through supply chain optimization, event management efficiency, and workforce training. Born at a kitchen table in 2012, CivilityMS has grown from the basic training and vision of founder and Marine Veteran Laurie Sayles into a leading force in organizational transformation. From our headquarters in Greenbelt, Maryland, and our strategic office in San Antonio, Texas, we bring the core values of Semper Fi (loyalty, duty, and honor) into our partnerships with clients.
